## EDUCATION

### Ithaca College

#### Roy H. Park School of Communications

Bachelor of Science, *Cinema and Photography*, December 2007

Magna Cum Laude, 3.7/4.0 Cumulative GPA

President's Scholarship, James B. Pendleton Cinema Scholarship, Dean's List

## EXPERIENCE

### Independent Contractor, Ithaca College, Ithaca, NY

#### September 2007 – Present

- Responsible for the design and development of an intracampus portal for students, faculty, and staff.
- Created a simple web interface and system that brings together numerous campus systems as well as external Internet data onto user-customizable pages.
- Met or preceded all scheduled project dates.

### Assistant Web Developer, Ithaca College, Ithaca, NY

#### January 2006 – September 2007

- Managed and created the XHTML and CSS structure and coding during a complete overhaul of the Ithaca College site.
- Designed, coded, and programmed web sites, web applications, emails, and graphics for a number of departments.

### Freelance Web Developer

#### 2000 – Present

- Design and program attractive, clean, and accessible front-end interfaces with efficient and easy-to-use back-end systems for numerous clients.

### Art Department Intern, Sony Pictures, Culver City, CA

#### January – May 2007

- Worked as part of the art department staff on the 2008 Sony Pictures production of *Hancock*.
- Performed research, organized assets, and aided art directors and set designers.

### Assistant Photographer, Gellman Images, Adelphia, NJ

#### 2002 – 2004

- Shot, edited, and developed video and photo projects.
- Maintained and organized photographer's records.
- Designed and created full web site.
